We would like to take this time to welcome the Pre-Kinder-
garten friends that have joined us in the mornings.
They are doing a fantastic job! Also, another Kinder-
garten group has begun the First Grade curriculum. They
will be challenged with new workbooks. They will explore
addition, subtraction, fact families, problem-solving
strategies, and solid shapes in Math. In Language Arts,
they will be introduced to parts of speech, capitalization,
punctuation, and alphabetizing. We are very proud of
their accomplishments!
