

October 2007

Earth and North America

During the month of October, the children will be learning about the Earth and North America.

While studying the Earth, we will be focusing on the following:

- Bodies of water
- Land forms
- Land, Air, and Water
- Recycling
- Dinosaurs/Fossils
- Rocks and Minerals
- Layers of the Earth
- Volcanoes

While studying North America, we will be focusing on the following:

- Culture
- Food
- Symbols
- Animals
- Landmarks
- States/Countries

If you have any books at home that relate to our studies this month, please feel free to have your child bring them in to share with the class. Please be sure to have your name in the books so that we can be sure it gets back to the correct family.

Reminders

- Please be sure to take **your child's nap sheets** and blankets home at the end of the week.
- As the weather gets nicer, we will be spending more time outside. Please be sure to put sunscreen on your child before they come to school and bring a water bottle.
- Anyone wishing to take Brownie home for the weekend or over vacations, please see Ms. Anna.

Lost and Found

A Lost and Found box will be located outside at the sign in tables on Fridays. It will have all of the items that have been found in our classroom such as hats, hair clips, show and tell items, etc..
